Seaton Visitor Centre Trust Activities

Here are examples of some of our many types of activities, all focussed on promoting Seaton's Natural Environment. Do join in and support us.

Seaton Banners

Wet 'n' Wild events

Winefred – the play based on the novel of life at the time of the landslip in 1839 that formed the Undercliff

Wild Art & Craft

Jurassic Coast Cruises

Annual Symposium

Seaton Carnival week – talks, pebble painting, fundraising dinner dances, guided walks, rock pooling and lots more.

How can you get involved?

Throughout the year there are many opportunities to promote ourselves through the press and website, plus events and activities. If you have a few hours a month to spare, have skills in marketing or fundraising/grant applications, at any level, and are looking for an exciting project to be involved with, we would love to hear from you.

Please contact us through the website www.seatonvisitorcentretrust.org or by sending in the Friends form.

The Vision

The vision for Seaton is for a world-class visitor and interpretation centre, located so that it is accessible to the stunning East Devon Area of Outstanding Natural Beauty, the Axe Estuary and the Jurassic Coast World Heritage Site.

The centre will have a theme of “Geology in Action”, interpreting the power of the rocks and water that have been responsible for creating the spectacular landscape.

Seaton is identified as a primary gateway for the Jurassic Coast World Heritage Site. The centre will promote sustainable tourism and encourage visitors to make return visits at differing times of the year, to explore the seasonal changes of the beauty and unique features of the Axe Valley and its coastline.

A centre at Seaton will attract more people to spend time in the town, boost trade for local businesses and existing attractions. Seaton is one end of the Stop Line Way cycle route from the north of Somerset, linking it to the National Cycle Network, enhancing eco-tourism for the region.

We have an incredibly exciting opportunity to create a wonderful asset for Seaton and its future. This is a community project and we do need everyone’s support.

This proposed new centre will include interpretation and educational resources, catering and retail facilities and the tourist information centre, providing a much needed visitor hub and focus for Seaton. With access for all, our visitors of all ages will be able to experience and understand the unique wonder of this part of the coastline and then be encouraged to see it for themselves. Radiating from the centre will be guided activities to suit all tastes, including walks, bird watching, rockpooling and many more.

The centre will bring economic advantages to Seaton and the surrounding towns and villages and will play a strong role in the community.

Be a part of the Vision

Since before the Jurassic Coast was designated a World Heritage Site, the Seaton Visitor Centre project has been the vision of a small group of committed volunteers, aptly now named the Seaton Visitor Centre Trust. To ensure future progress we need help and support from the local community, via encouragement, participation and financial backing from Friends and local businesses.

We would like to invite you to play your part in creating this exciting vision for the future of Seaton and the surrounding area, by becoming a Friend of the Seaton Visitor Centre. When you become a Friend, you will receive:

- Newsletters
- Invitations to special events
- Advanced booking of ticketed events
- An opportunity to attend the opening event of the centre

With an annual cost or minimum donation of:

- £5 - individual
- £8 - two people at the same address
- Children under 16 yrs are FREE

Join us today

Please fill in the form, give your contact details and your contribution and hopefully a little of your time too. We’d be delighted to include you in whatever way you would like. Thank you.

Join in one of our groups

There are many projects under way, bringing new experiences and enjoyment to all those who participate. We are creating a foundation of ongoing activities to enjoy even before our Centre is ready. If you are interested in getting involved, please indicate on the form. For more information on these projects and activities, please refer to the website or contact us.
